We've created new videos to help with the licensee self-service portal. Here's a link to the website with the videos. Here are the seven videos available to help with activities within the portal.

1. Entering CE in the portal—we recommend that you do this first and then start your license renewal.
2. License renewal process
3. How to look up an OBO course number
4. Entering places of practice changes
5. How to enter CPR
6. Requesting a license verification or copy
7. How to pay an invoice or print a receipt
