The Public Records Law expressly authorized a public body to establish fees “reasonably calculated to reimburse the public body for the public body’s actual cost of making public records available.” ORS 192.440(3)(a). The statute also expressly permits a public body to include in its fees “costs for summarizing, compiling or tailoring the public records, either in organization or media, to meet the person’s request.” ORS 192.440(3)(a). Beginning January 1, 2006, a public body has authority to charge a fee in excess of \$25 only if it first provides a written cost estimate to the requestor and receives confirmation that the requestor wants the public body to proceed with responding to the request. ORS 192.440(3)(c); OR Laws 2005, ch 272, ~ 1. A public body may require prepayment of its estimated charges before taking further action on a request. Of course, if the actual charges are less than the prepayment, any overpayment should be refunded promptly.
