

Oregon Import Requirements

BEEF CATTLE

Certificate Of Veterinary Inspection (CVI) - OAR 603-011-1100

A CVI issued by an accredited veterinarian, is required for all beef cattle. The CVI must be an official CVI with a unique serial number and be issued within 30 days prior to the animal(s) entering Oregon.

Import Permit - OAR 603-011-1100

An import permit, issued by ODA to an accredited veterinarian when issuing a CVI, is required for all beef cattle within 30 days prior to entry.

Veterinarians using an electronic CVI (eCVI), approved by the National Assembly of State Animal Health Officials, are not required to obtain an import permit.

Official Identification - OAR 603-011-1100

Official identification in accordance with 9 CFR part 86, is required for all incoming sexually intact beef cattle over 18 months of age and must be listed on the CVI.

All cattle of any age imported into Oregon for rodeo or exhibition purposes must have official identification in accordance with 9 CFR part 86.

Tuberculosis Testing - OAR 603-011-1240

All cattle over 2 months of age entering Oregon for rodeo purposes are required to have a negative tuberculosis test within 12 months prior to entering Oregon.

For Mexican origin cattle please call 503-986-4680 for special requirements

Trichomoniasis Test - OAR 603-011-1210

All non-virgin beef bulls of any age with known breeding contact with female cattle, and all bulls 18 months of age and over are required to have a negative Trichomoniasis (Trich) test within 60 days prior to entering Oregon. The CVI must have the following statements on it:

- "The bulls on this CVI have been tested for trichomoniasis and have been confined and have not had sexual contact with females since their last negative test"
- "Trichomoniasis has not been diagnosed in the herd of origin within the past 24 months"

Bulls used solely for exhibition or rodeo purposes do not require Trich testing if the CVI has a statement on it that says:

- "To be used solely for exhibition and remain under confinement at the location of the exhibition without having access to or allowed to commingle with sexually intact female cattle"
