Animal Pallet Shelter Kits for Livestock and Companion Animals

The Oregon Department of Agriculture (ODA) has Animal Shelter Kits for Livestock and Companion Animals that are available to be staged with counties for rapid deployment when needed. They will be delivered in groups of two pallets of supplies for companion animal sheltering and one pallet of supplies for livestock sheltering.

Companion Animal Shelter Kits (2 Pallets)

- There are 2 companion animal shelter pallets per set - BLUE PALLETS
- Size: 48” x 40” x 39”
- See Inventory list on page 2

Livestock Shelter Kit (1 Pallet)

- There is one livestock shelter pallet per set - GREEN PALLET
- Size: 48” x 40” x 34”
- See Inventory list on page 3

REQUIREMENTS

- The County must sign a standard Intergovernmental Agreement (IGA) between Oregon Department of Agriculture and the County Signatory for Animal Shelter Kits deployed and stored by the County.
- There will be an annual location and inventory review for each set that is deployed to the county.

STORAGE

- Shelter Kits can be stored stacked - like shown in the photo.
- Shelter kits should be stored under a covered area or covered with a tarp.
- A forklift is recommended to unload, load, and transport shelter kits.

CONTACT

Oregon County Emergency Managers or designated County Staff can reach out the ODA Animal Emergency Coordinator at sandy.childress@oda.oregon.gov for interest in obtaining a set of Animal Pallet Sheltering Kits and for any questions.
