

Oregon Import Requirements

POULTRY

National Poultry Improvement Plan Flocks - OAR 603-011-1230

Poultry originating from pullorum-typhoid clean flocks under the supervision of the National Poultry Improvement Plan that are recorded on a USDA APHIS form VS 9-3 are exempt from all other import requirements.

All Other Sources

Certificate Of Veterinary Inspection (CVI) - OAR 603-011-1100

A CVI issued by an accredited veterinarian, is required for all poultry. The CVI must be an official CVI with a unique serial number and be issued within 30 days prior to the animal(s) entering Oregon.

Import Permit - OAR 603-011-1100

An import permit, issued by ODA to an accredited veterinarian when issuing a CVI, is required for all poultry within 30 days prior to entry. *Veterinarians using an electronic CVI (eCVI), approved by the National Assembly of State Animal Health Officials, are not required to obtain an import permit.*

Pullorum Typhoid Testing - OAR 603-011-1230

All poultry are required to have a negative blood test for pullorum typhoid within 30 days prior to entry into Oregon.
