Alert – “NPK Industries” presents, *Stack*, by NPK Industries, contains salicylic acid

January 31, 2018

The Oregon Department of Agriculture (ODA) has reason to believe the product “NPK Industries” *presents Stack*, manufactured by NPK Industries, contains a pesticide active ingredient, salicylic acid, not listed on the label. This advisory is based on laboratory testing and confirmation of undeclared pesticide active ingredients.

Growers of all crops and retailers are advised to discontinue using or selling “NPK Industries” *presents Stack* until further notice. The Department has issued a statewide Stop, Sale or Removal Order and is working with the manufacturer to rectify the situation.
