

How to comment on the Proposed Limitations on Pesticide Products Containing Chlorpyrifos rule (OAR 603-057-0545)

At this time, the Oregon Department of Agriculture (ODA) is only accepting written comments that the Department receives from **12:01 a.m. Aug. 3 to 5 p.m. Oct. 22, 2020**. All times are in Pacific Daylight Time. The previous comment deadline was Oct. 1.

Three public hearings were held in August regarding the proposed chlorpyrifos rule. Transcribed hearing testimony or recordings of the hearings are provided on ODA's rulemaking website, <https://oda.direct/Rulemaking>.

How to comment

Anyone can submit comments about this proposed rule, which provides Limitations on Pesticide Products Containing Chlorpyrifos (OAR 603-057-0545). A person may submit comments by email, or by regular mail.

Note: There is a concurrent proposed rulemaking amending the current Listing of Restricted Use Pesticides (RUP), OAR 603-057-0205 rule. For your convenience, you may comment on both proposed rules in the same email or mailed letter, or separately.

Email

A person may submit comments on either or both proposed rules to:
