Friday November 20, 2020
9:00 am to 1:00 pm

J.R. Simplot Facility
 1700 S.W. 4th St. Ontario, OR

Event location: 1700 SW 4th Street, Ontario OR

Event sponsored by these partners:

Do you need to dispose of old pesticides?

* **Cost is free**

- This collection event is for agricultural and other commercial waste pesticides in Malheur County and surrounding Oregon areas.
- Chemicals not included in pesticides products (e.g. fertilizers oil, antifreeze) will **NOT** be accepted
- You must pre-register by November 10th with Clean Harbors so they are prepared to receive your chemicals. Applications are available at the Oregon Department of Ag website <https://www.oregon.gov/ODA/programs/Pesticides/Water/Pages/PesticideStewardship.aspx>

For registration questions (or forms) call or email:

Kirk V. Cook (541) 841-0074
Email: kcook@oda.state.or.us
Kevin Masterson (541) 633-2005

To check the status of a pesticide

Oregon Department of Agriculture
Phone: (541) 841-0074
Email: pestreg@oda.state.or.us

Pesticide collection events offer a safe and environmentally friendly way to manage waste pesticide material.

A wide variety of pesticides are applied and held in storage in many parts of Oregon. These old and unused pesticides can accidentally enter waterways through leaching, flooding or run-off.

Chemicals collected from this area are threats to water quality, human health and aquatic life. This is an opportunity for landowners and other commercial pesticide users to remove, free of charge, un-wanted materials. Help protect your water, air, and soil by bringing your old and unused pesticides to this free collection event for proper disposal.

**Dispose of
Pesticides Properly**
