

WQPMT Meeting Agenda
March 19, 2020 9:30 am – 3:00 pm
Oregon Department of Forestry
2600 State Street
Salem, Oregon 97310

**This meeting will be held via videoconference at 9:30 am
due to Governors Covid-19 restrictions**

Please note the main topic of discussion for this meeting will be the development of a Strategic Plan for the Pesticide Stewardship Partnership elements of the existing State Pesticide and Water Quality Plan approved in 2011.

9:30 Introductions and Agency Updates

10:00 Progress Report on OSU Education and Outreach Project

Kirk Cook will give a 15 minutes progress report of the development of elements for the OSU Water Quality and Pesticide education project. Proposed structure of the project products and timelines will be presented.

10:15 WQPMT PSP Strategic Plan discussion

Review first DRAFT strategic plan, including DRAFT objectives, and ideas to fill in the questions under each objective. We will use the draft document as a basis for discussion.

12:00 Lunch Break

1:00 Strategic Plan Discussion (cont.)

2:00 Finalization of Waste Pesticide Collection Events for Biennium

Based on the number of inquiries, there is a need to finalize collections events running through June 30th, 2021. Should consider 1 more in upper Willamette Valley (Nov. 2020), 1 in Jackson Co. (late Sept 2020), 1 Upper Eastern OR (2021), 1 in Ontario (2021). Cost will be a factor consider going out to bid for Jackson Co, and Eastern Or collections.

2:30 PSP data application update and discussion

DEQ will present an update of the data viewer. Need to begin planning agency and stakeholder presentation. Meeting with PSEP in Feb. provided several good suggestions to present to WQPMT and DEQ for consideration.

3:00 Adjourn and schedule next meeting.
