

# DEFEND THE FLOCK

Protect poultry with clean practices

## HOW ARE DISEASES TRANSMITTED?

- Foot traffic
- Secretions from mouth, nostrils, eyes & excrement
- Contact with infected droppings
- Movement of infected birds
- Contaminated clothing and equipment

Cover coops & runs.

Wear dedicated clothing & shoes.

Wash hands before & after entering coop.

Restrict access to your coop & run.

Change food & water daily.

Remove birdhouses, feeders & baths.

Clean & disinfect equipment in contact with birds or droppings.

Avoid feed stores & places with small flocks as much as possible.
