LAND USE COMPATIBILITY STATEMENT (LUCS) FAQs

WHAT IS A LUCS? The LUCS is the process the ODA uses to determine if the ODA registrations and other approvals that affect land use are consistent with a local government comprehensive plan.

WHY IS A LUCS REQUIRED? Oregon law required that state agency activities related to land use be consistent with local comprehensive plans in accordance with ORS Chapter 197.

WHEN IS A LUCS REQUIRED? A LUCS is required for many ODA registrations and certain approvals for plans for related activities that affect land use. These activities are listed in this form. In cases where a source needs more than one ODA registration or approval, a single LUCS may be used.

If you submitted a completed LUCS with a previous hemp license application and have not made any changes to the location or hemp activities: Attach a copy of the completed LUCS to your current license application.

As long as the LUCS you submitted in previous application has not been revoked or expired and none of the four modification factors listed above apply, you do not need to acquire a new LUCS.

HOW TO COMPLETE A LUCS:

- The LUCS form is included in the ODA license application or approval packet.
- The applicant fills out Section 1 of the LUCS and then submits it to the city or county planning office.
- The local planning office determines if the business or facility meets all local planning requirements.
- The local planning office must attach written findings of fact for local reviews or other necessary planning approvals that are required of the applicant.
- The applicant includes the completed LUCS and attachments with the license application.

WHERE TO GET HELP: Questions on the LUCS are to be directed to ODA, Hemp Program, at 503-986-4652.
