

**START
HERE**

**Apply & Receive
ODA hemp grower
license**

**Plant & Grow
hemp
in registered areas
only after
license is received**

**Register
for next year
and report the
amount of
acreage/square feet
grown along with the
amount of hemp
harvested**

**Hemp
Grower
Responsibilities**

**Crop Loss?
Notify ODA within
48 hours. Do not
destroy hemp.**

**Confirm
that your sample
request form, on-site
sampling form, and
the pre-harvest test
report were sent to
ODA and keep
copies for
yourself**

**Schedule
hemp
sampling and testing
with an approved lab
no more than
28 days before
harvest**

**Harvest & Sell
to a hemp handler
for further processing
if the
pre-harvest test
results are \leq .34%
total THC**

**If you fail your pre-harvest
test, you have the option to
retest, resample, or destroy.**

**Find details on what to do
if you fail a test at:
[https://oda.direct/
FailedHempTest](https://oda.direct/FailedHempTest)**

**You must use an
accredited and licensed lab
to do your required
pre-harvest testing.**

**Find a list of labs at:
[https://oda.direct/
HempTestingLabs](https://oda.direct/HempTestingLabs)**
