Dear Mr. Schiffer

I, Craig Pope, the Chair of the Polk County Board of Commissioners, grant permission to Al's Aerial Spraying, LLC as contracted by the Oregon Department of Agriculture to fly over Polk County for the purpose of eradicating an incipient population of light-brown apple moth [(*Ethphas postvittana* (LBAM))] from an agricultural aircraft as required between June 10th - August 30th.

Please contact me if you have any further questions or concerns.

Sincerely,

Craig Pope, Chair
Polk County Board of Commissioners
