

# 2015 SWCD Director Training

## Dates and Locations

The Oregon Department of Agriculture Soil and Water Conservation District program provides training for directors and district staff every two years. This year's topics will include Strategic Implementation Areas (SIAs) and Ag Water Quality Management Program Updates, Partnership Discussion, Risk Abatement, Effective Leadership and Board Meetings, and Fraud Prevention and Financial Reports. All Directors and district staff are encouraged to attend.

**Time:** All events will be held 9:45 a.m. to 2:00 p.m. with working lunch provided.
