**Discussion**

Tualatin SWCD: Horses for Clean Water - livestock workshop covering manure, mud, and pasture management. Pesticide cleanup event with Clean Harbors. Hosted several workshops this quarter aimed at small farm conservation practices: ecological pest management, cover cropping, and nutrient management; tabled at several events throughout Washington County and presented to the Oregon Equestrian Trails club. Partnered with The Wetlands Conservancy and hosted a landowner forum on water management. Held an online workshop for horse owners on sustainable horse management practices. Held 2 online workshops for farmers promoting sustainable farming, water quality, and conservation. Clackamas SWCD: Far West Show (erosion control), North Willamette Horticulture Society (soil health), Tree School (streamside vegetation), Lavender Festival, Spring Garden Festival. West Multnomah: WMSWCD Soil School, Oregon Wine Symposium (soil health).

Tualatin established trees and shrubs on 68 acres with NRCS EQIP and funded 2 compost facilities and 432 feet of fencing in the Focus Area. Tualatin established trees and shrubs on 114 acres with NRCS EQIP and TSWCD funding. TSWCD funded 8,493 feet of fencing outside the Focus Area.

**Summary of Progress and Impediments**

The LAC was pleased to see continued work and progress in the Management Area. The LAC did not identify any impediments to the Area Plan at this time.

**Recommended Modifications and Adaptive Management**

There were no modifications recommended at this time.
