West Multnomah Soil and Water Conservation District Permanent Rate Limit

QUESTION *20 words*
Shall the District have a permanent rate limit of \$0.0750 (7.5¢) per \$1,000 assessed value beginning fiscal year 2007-2008?

SUMMARY *175 words*
The West Multnomah Soil and Water Conservation District shall use funds generated by this measure to meet the demand for natural resource education and technical assistance to urban and rural residents, farmers, business owners, public schools, and the general public, and to increase the economic viability and environmental value of the rural greenbelt surrounding the urban region. The District's goal is to protect clean water and wildlife habitat. Funds generated may be used to support education, voluntary conservation agreements, and operations. This measure establishes a permanent rate limited at \$0.0750 (7.5¢) per \$1,000 of assessed property value. The District expects to levy a lower rate of approximately 50% of the total allowable rate, for up to five years, until conservation programs are proven to be effective. The permanent rate is an upper limit that by law can never be raised.
