

Stop Bedbugs!

Start by checking your room.

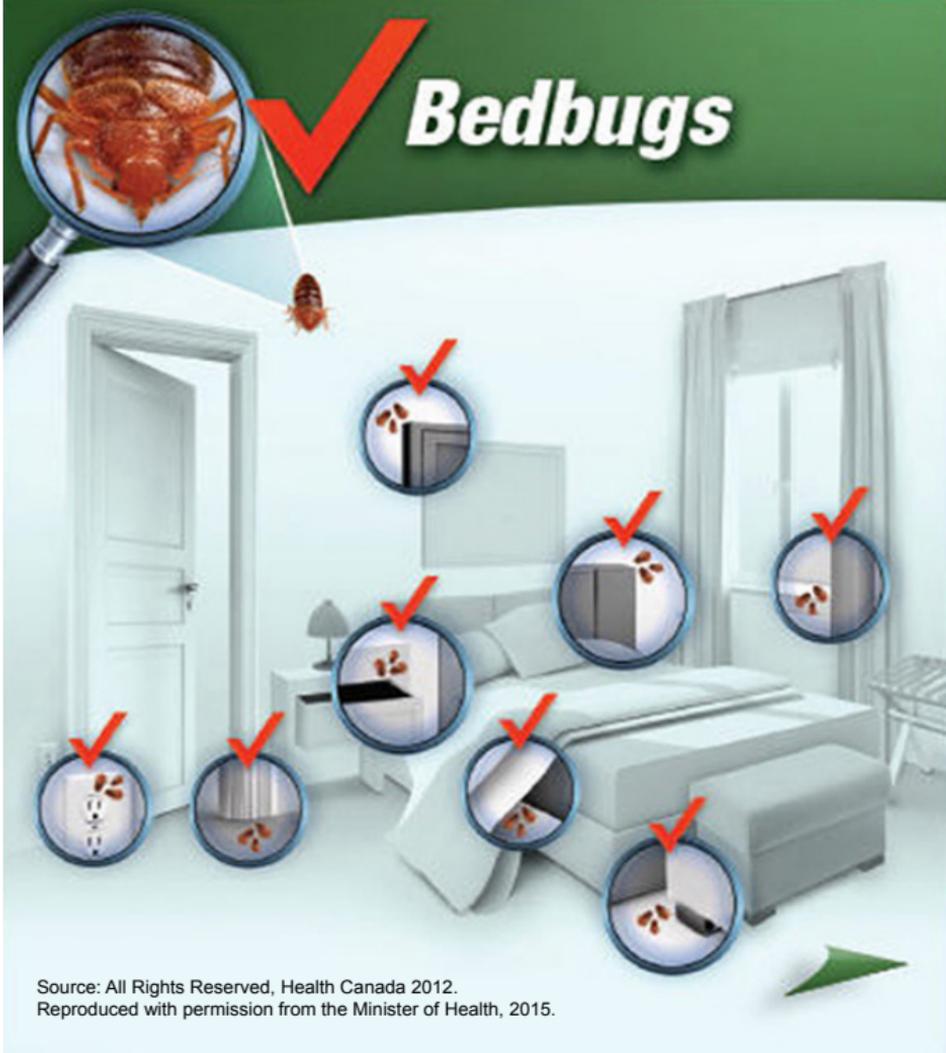

***For more information,
go to ODA's bedbug webpage:***

<http://1.usa.gov/1EuLlm2>

-  Check the bed — mattress, zippers, seams, cushion tufts, and behind and around the headboard.
-  Check the furniture and walls — furniture frames and cushions, using something with a hard corner or edge, like a credit card.
-  Check behind paintings, posters, pictures, mirrors, as well as around moldings, trim, baseboards and window frames.
-  Check cracks in plaster and peeling wallpaper.
-  Take a close look at electrical outlets, light switches, phones and clocks, as well as all the carpeting/rugs.
-  When traveling, don't put down your luggage on the floor, or on the bed — put it in the bath tub, or on the luggage rack.
