Categories With No Equivalents – No Reciprocity	
Potato Cellar Pest Control	
Chemigation	
Agriculture – Herbicide	Regulatory Weed Control
Structural Destroying Pests	IIHS – Moss Control
	Marine Fouling Organism

Categories with equivalents.

ODA considers the Idaho categories equivalent. Therefore, ODA would consider reciprocity for these exams.

Categories without equivalents.

ODA does NOT consider the Idaho categories equivalent.

Therefore if an Idaho applicator has Agriculture – Herbicide, ODA will not reciprocate with Regulatory Weed Control; and if an Idaho applicator has Structural Destroying Pests, ODA will not reciprocate with Moss Control.
