This is a one-time anonymous pesticide waste collection event for farmers, orchardists, and other agriculture-related operations located in Malheur County. The collection is scheduled for **Wednesday, October 22, 2014 at 1700 SW 4<sup>th</sup> St in Ontario, OR.** This event is sponsored by the Malheur County SWCD, the Owyhee Watershed Council, the Malheur Watershed Council and Oregon State University (OSU) Extension Service. Prior to bringing waste to the Pesticide Collection Event, you must complete this application and return it to Clean Harbors by October 18, 2014. Please be certain your pesticide survey information is accurate, any pesticides not included on this survey will not be eligible for disposal on the day of collection. **If you have any questions or concerns the event logistics or pesticide identification, please contact Bill Buhrig at OSU Extension at (541) 881-1417.**

**Event Location:** Ontario, Oregon                      **Event Date:** October 22, 2014

## 2. Inventory of wastes you want to dispose of at this collection event

Please complete the waste inventory sheet on the following page to list the wastes you will bring to the collection event. Make additional copies of the inventory sheet if needed. Return the completed inventory sheet(s) with this application. Instructions for completing the waste inventory sheet are on the back side of the form. Only wastes that have been pre-registered and approved by Clean Harbors Environmental Services will be accepted at the collection event. **Radioactive materials, explosives, infectious medical wastes, certain poisons, very reactive wastes, and unknown wastes are not accepted at these events. Please provide adequate containment (e.g., place inside larger container) for leaking or degraded containers prior to transporting pesticide waste to the event.**

If you have trouble identifying the active ingredients in the pesticides you wish to dispose of please contact Bill Buhrig at OSU Extension at (541) 881-1417 for technical assistance.

### Instructions for Completing Waste Inventory Sheet

1. **Source:** Please indicate whether the pesticides you are disposing of come from an active farm, a commercial applicator, or other operation.
2. **Item Number:** Number each item (or category group of items) you want to dispose of at the collection event. Each item should have an individual number on its container as reference. The container number should correspond to the completed inventory sheet(s) submitted to Clean Harbors Environmental Services.
3. **Waste Description:** Describe, in as much detail as possible, wastes that you want to dispose of at the collection event. The description should include the chemical and trade name, how you use the material, physical state (i.e., liquid, solid, sludge, gas), chemical characteristics (e.g., flammable/ignitable), and chemical constituents and percentages from the label or material safety data sheet (MSDS). For pesticides (e.g., herbicides, fungicides, rodenticides, etc.), please include the EPA registration number if available, trade name and percent concentration. When listing waste quantities, be accurate as possible. **DO NOT** include wastes you do not want to dispose of at the collection event, nor containers of unknown waste substances. Please avoid mixing your wastes together.
4. **EPA Number:** For pesticides (e.g., herbicides, fungicides, rodenticides, etc.), please include the EPA registration number if available, trade name and percent concentration.
5. **Quantity:** List the quantity of waste you want to dispose of at the collection event. As a rule, list liquids in gallons and solids and sludges in pounds.

Once **Clean Harbors Environmental Services** has received and reviewed your application, you will receive a letter and/or telephone call acknowledging acceptance of your application. The acknowledgment letter and/or call will provide you with the total estimated cost for disposal of your waste, an appointment time for bringing in your waste, and any changes to the collection event site.
