

Pesticide Analytical and Response Center (PARC) Public Member Application

Pesticide Analytical
and Response Center
503.986.4635

This form will assist the Oregon Department of Agriculture Director and Oregon Health Authority Director in evaluating applicants for appointment as the public member to the Pesticide Analytical and Response Center Board. Functions of the PARC Board are identified in Oregon Revised Statutes, Chapter 634.500. Information about PARC may be obtained at <https://oda.direct/PARC>. **Deadline for applying is September 4, 2024.**

Applicant Information

Preferred Title:			
Applicant Name:			
Affiliation:			
Occupation:			
Mailing Address:			
City, State, ZIP Code:			
Phone:		Email:	
Signature:			Date:

By signing above, you certify that:

- All of the information on this form is true;
- You are a legal citizen of Oregon and the United States of America;
- You will accept the appointment to the Pesticide Analytical and Response Center board if selected by the Director and pledge my best efforts to resolve, before assumption of office, any conflicts of interest that would be inconsistent with my responsibilities;
- You have an email address and are able and willing to check your email on a regular basis;
- You will be able to attend scheduled meetings in-person or by conference call.

Applicant Name:

Statement of Interest

Describe in detail why you are interested in serving as the public member on the Pesticide Analytical and Response Center board. *You may complete this section on a separate sheet.*

Professional Experience / Background

Describe your professional work experience and background. *A current resumé may be substituted for this section.*

Applicant Name:

Describe any work you have done with diverse or underrepresented communities. If appointed, what steps would you take to enhance collaboration with diverse or underrepresented communities?

What experience do you have conducting outreach or developing outreach materials? What topics did the material cover and who was the intended audience? Please include examples. Using these examples as a framework, how would you work to develop outreach materials for diverse and traditionally underserved communities?

Applicant Name:

Please outline your knowledge of pesticides. *This may include use, risks, risk mitigation, health, safety, environmental movement, as well as pesticide regulations.*

What experience do you bring to the PARC board that would help to ensure that you would be able to represent the public?

Applicant Name: _____

Please explain why you wish to be the public member on the PARC board.

Professional Experience / Background

Are you currently serving on a state board or commission other than this one?

Yes No

If yes, please list.

Please list all organizations in which you have held memberships and the number of years.

Conflicts of Interest

Please identify any potential conflicts of interest you may have by serving on this board.

References

Please identify two references that may be contacted if you are selected as a top candidate. Individuals or representatives of associations/organizations are acceptable.
