Overview of Services

Kelly Education provides scalable, evidence-based High-Dosage Tutoring services aligned with the science of reading and school-provided curricula. Tutors are trained in culturally responsive practices and support foundational reading and writing skills through frequent, structured sessions. With robust recruiting capacity and rapid program launch timelines, Kelly Education helps districts address staffing challenges while improving literacy outcomes in nurturing, student-centered environments.

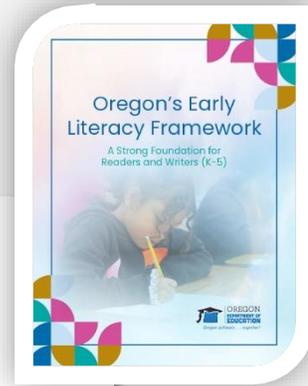

Kelly Education's tutoring services provide:

- Fully in-person tutoring for Pre-K-3rd grade students
- Evidence-based practices centered on the science of reading
- Focus on small group (1:4 ratio) and one-on-one learning
- Flexible scheduling during school, before/after school, and summer programs
- Support for bilingual students and English language learners (ELLs)

Alignment to Oregon's Early Literacy Framework

Kelly Education's tutoring aligns with Oregon's Early Literacy Framework by delivering evidence-based early literacy instruction grounded in foundational reading and writing skills for Pre-K–3 learners.

Tutors are trained in culturally responsive practices and use district-provided curricula to ensure alignment with local goals. Culturally competent, they can also serve multilingual learners, students with disabilities, and at-risk students.

A structured, high-dosage model ensures ongoing progress monitoring on early literacy skills, while robust training and coaching build educator capacity. Tutors are assigned a talent advisor to train, coach, and provide ongoing development in High-Dosage Tutoring best practices.

Evidence of Impact

Kelly Education's tutoring services have strengthened early literacy outcomes by delivering evidence-based, high-dosage instruction that builds foundational reading and writing skills.

Districts report that Kelly's rapid staffing capacity and consistent, small-group tutoring model help close learning gaps for young learners.

Testimonials highlight the program's nurturing, culturally responsive approach and its ability to improve student confidence and achievement through frequent, structured sessions delivered by well-trained tutors.
