

Centering Health in Education: A WEBINAR SERIES

Please join the Oregon Department of Education, the Oregon Health Authority and district partners for a virtual learning series on advancing student health and well-being through innovative partnerships and collaborative funding models.

The purpose of this series is to help schools and districts identify funding streams and community partnerships to develop & sustain health & wellness initiatives that support student physical, mental & behavioral health and overall well-being, leading to academic improvements.

Districts will better understand potential partnership and planning strategies in support of Oregon school district budgeting & alignment for student success. Webinars will be recorded.

In partnership with CBO's, county mental health, public health & CCO's:

- Baker SD
- Bend-LaPine SD
- Dufur SD
- High Desert ESD
- Umatilla SD
- Phoenix-Talent SD
- Lane ESD
- Gorge ESD
- West Linn & OR City SD

WEBINARS WILL BE FROM 3:30-4:30PM PST ON JAN 10TH, JAN 17TH,
JAN 24TH, FEB 7TH, FEB 14TH, FEB 21ST, FEB 28TH & MARCH 6TH 2024
