

Meeting Date: March 5, 2025

Attendees: Allie, CJ, Dr. Bernal, Julie, Samarra, Sarah R. Sarah P., Val, Kim, Dayna

Today's Offerings:

"Owning our story can be hard but not nearly as difficult as spending our lives running from it. Embracing our vulnerabilities is risky but not nearly as dangerous as giving up on love and belonging and joy—the experiences that make us the most vulnerable. Only when we are brave enough to explore the darkness will we discover the infinite power of our light."

— Brene Brown

"Vulnerability sounds like truth and feels like courage. Truth and courage aren't always comfortable, but they're never weakness."

— Brené Brown
