THE STUDENT SUCCESS ACT MARKS A TURNING POINT FOR EDUCATION IN OREGON

When fully implemented, our state will see an additional $1 billion investment in schools each year.

This investment will provide new opportunities for every student in our state, particularly students who have been historically underserved.

HOW THE STUDENT SUCCESS ACT INVESTS IN OUR STUDENTS

- At least 50% Student Investment Account
- At least 20% Early Learning Account
- Up to 30% Statewide Education Initiatives

ROOTED IN EQUITY, AUTHENTIC COMMUNITY ENGAGEMENT, AND SHARED ACCOUNTABILITY FOR STUDENT SUCCESS.

The law requires school districts to build on the strengths and assets of young people, educators, families across the state, including members of the nine federally recognized tribes; students of color; students with disabilities; emerging bilingual students; and students navigating poverty, homelessness, and foster care.
WHAT IS THE STUDENT INVESTMENT ACCOUNT?

Close to $500 million in non-competitive grant money for all Oregon school districts and eligible charter schools.

New money has two purposes:
1. Meet students’ mental and behavioral health needs.
2. Increase academic achievement and reduce academic disparities for:
   • Students of color;
   • Students with disabilities;
   • Emerging bilingual students; and
   • Students navigating poverty, homelessness, and foster care; and other students that have historically experienced disparities in our schools.

5 Areas for Input

1. Reducing academic disparities (gaps between outcomes for different student groups)
2. Meeting students’ mental and behavioral health needs
3. Providing access to academic courses
4. Allowing teachers and staff sufficient time to collaborate, review data and develop strategies to help students stay on track to graduate
5. Establishing and strengthening partnerships

Allowable Investments
