REDACTED,

My name is Mark Mayer, a Complaint and Appeals Specialist who works at the Oregon Department of Education.

I am reaching out to you about an appeal that you filed on May 23, 2024, alleging that North Wasco County School District violated OAR 581-022-2350 when it amended its policy for processing complaints.

After reviewing the materials that you submitted to the department, and after reviewing the materials posted on the district's webpage, I have determined that the district's policy is currently in compliance with OAR 581-022-2370. [The procedures](#) by which the district processes complaints is readily available on the district's website, provides the titles of individuals with whom complaints may be filed, and specifies specific time periods for completing each step in the process. See OAR [581-022-2370](#).

Let me know if you have any questions.
