

STATE BOARD OF EDUCATION – TOPIC SUMMARY

Topic: Asset Based Community Engagement Framework

Date: April 9, 2015

Staff/Office: Shadiin Garcia, OIEB; Peter Tromba, OIEB

Action Requested: **Informational Only** **Adoption** **Adoption/Consent Agenda**

ISSUE BEFORE THE BOARD:

The asset based community engagement framework (CEF) centers the strengths of the organization instead of starting from a needs-based approach. The strengths are then used to forge sustainable relationships. Integrity, transparency, collaboration, equity and self-reflection are the values that create the foundation for the framework
