

SSCS ANNUAL REPORT

Student Achievement

FROM THE PRINCIPAL

Dear Parents and Community Members,

The newly designed report card issued by the Oregon Department of Education offers a comprehensive picture of what Four Rivers Community School offers. In the 2012-2013 school year, Four Rivers Community School received an Overall State Rating of 4 on a 1-5 scale.

We are very pleased with this rating and will continue to work hard to increase our Achievement Levels. We are very excited that Four Rivers Community School received high rating in the area of "Academic Growth". In general schools that receive a rating of Level 4 or Level 5 would be considered average to above average. Schools with a rating of 3 or below would be considered below average. We are proud of the achievements that students

are making in two languages and appreciate your continued support.

Please help make FRCS even more successful by staying involved, communicating with your child's teacher and attending workshops and conferences offered at the school. If you would like more information or some help interpreting this information, please let us know.

Thank you,

Principal | Chelle Robins, Director

STUDENTS

OVERALL STATE RATING HOW ARE STUDENTS AT THIS SCHOOL PERFORMING COMPARED TO THOSE AT OTHER SCHOOLS?

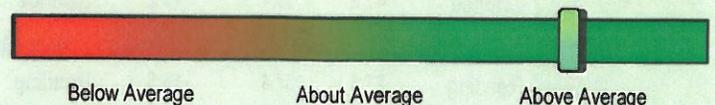

The overall state rating is intended to summarize this school's particular successes and challenges. It is based on a combination of up to five factors. Three of these factors come from standardized test scores in reading and math: student achievement, student growth, and the growth of underserved subgroups. Please be aware that this rating is based mainly on high-stakes testing and accordingly, represents a limited view of student performance. Other aspects of this report card are designed to put this rating in the proper context.

Compared to all schools statewide in 2012-13, this school is rated as Level 4.

- Level 1** = Falls into the bottom 5% of schools
- Level 2** = Falls between 5% and 15% of schools
- Level 3** = Falls between 15% and 44% of schools
- Level 4** = Falls between 44% and 90% of schools
- Level 5** = Falls into the top 10% of schools
