English Language Proficiency Instructional Materials Adoption by the State Board of Education (ORS 337.050 and OAR 581-011-0071).

Following adoption by the State Board of Education, school districts make the local decision to select and adopt from the list (ORS 337.050 and OAR 581-022-1640), independently adopt instructional materials using the state criteria (OAR 581-022-1622), or postpone adoption for up to two years (OAR 581-022-1650).

In 2014, the State Board of Education must adopt basal instructional materials for English Language Proficiency for the adoption cycle beginning February 1, 2015, and ending June 30, 2021. The State Board of Education must adopt the instructional materials prior to October 31, 2014. (OAR 581-011-0070(1)).
