

Performance Growth Targets Office Hours

ODE will hold PGT office hours every two weeks to support districts/charters and answer questions about the target setting process.

Districts/charters who have specific questions related to their own targets or historical data should make individual meeting requests through the Smartsheet portal. Office hours are not intended to be an opportunity to co-develop targets with ODE, but an opportunity to ask questions and learn more into the Performance Growth Target framework and co-development process.

These office hours will include members of ODE Regional Support Teams and Data Partners

Office Hour Dates and Time

- June 3rd 9am
- June 17th 3:30pm
- July 1st 9am
- July 15th 3:30pm
- July 29th 9am
