## GENERAL ANNOUNCEMENTS

### Registration Open for Statewide Access to Linguistic Inclusion Webinars

ODE has planned a series of six statewide webinars for the new law *Access to Linguistic Inclusion* (passed in the 2021 legislative session). These 90-minute webinars will deliver base information already available in the *Access to Linguistic Inclusion* [Overview Slide-Deck](#), with the following additions.

- “Focus role”: each webinar will provide a forum for discussion and questions related to a specific role (counselors, EL educators, or administrators/general educators).
- Implementation scenarios: participants will discuss implementation through three different lenses (credits, students, endorsements).
- Endorsement requirements: additional specificity will be added regarding the relation teacher credentialing and additional flexibilities afforded by the new law.
- Q&A: participants may request elaboration or clarification of information in the webinar, or submit questions to be answered in the webinar’s accompanying Q&A document.

Information covered in the webinar will also be made available through an audio version of the webinar to be posted on the ODE website, with an accompanying Q&A document.

To register for a webinar session, use one of the following links. All sessions cover the same base information; there is no need to register for more than one session.

- [Session 1 \(26 April 10:00-11:30\)](#) Focus role: Counselors
- [Session 2 \(28 April 2:00-3:30\)](#) Focus role: Counselors
- [Session 3 \(2 May 10:00-11:30\)](#) Focus role: EL educators
- [Session 4 \(4 May 3:00-4:30\)](#) Focus role: EL educators
- [Session 5 \(10 May 9:00-10:30\)](#) Focus role: Administrators and general educators
- [Session 6 \(11 May 3:00-4:30\)](#) Focus role: Administrators and general educators

The registration form will ask for your current role. This is to help webinar organizers get a sense of the audience, and will not affect eligibility to attend.

You can learn more about the new law on the English Language Arts page, under the *Access to Linguistic Inclusion* expandable.

**Is the focus role a requirement? Will I miss vital information if I can't attend a session related to my role?**

No. While attendees are encouraged to attend sessions that most directly correspond to their current role, the same base information will be presented in all webinars. Focusing on a particular role will help direct the conversation, allowing participants to ask questions and receive information most directly relevant to them. However, educators may register for and attend "off role" sessions. Role-specific questions and answers will also be captured in a Q&A document (to be posted with the audio version of the webinar).

**Do I need to prepare for this webinar? What should I know about *Access to Linguistic Inclusion* before I attend?**

While the webinar is suitable for all levels of experience, we recommend reviewing existing resources on *Access to Linguistic Inclusion* prior to attending. You can find these resources on the [English Language Arts page](#), in the *Access to Linguistic Inclusion* expandable.

**Is this webinar a requirement for implementing *Access to Linguistic Inclusion*? If I don't attend, will I miss vital information?**

This webinar is optional. The existing resources linked above should be sufficient to help districts implement *Access to Linguistic Inclusion*. The webinar will provide opportunities for additional context, specificity, and connection with fellow educators. Information covered in the webinar will be made available on demand via an audio version and an accompanying Q&A document.

Please contact [Tina Roberts \(ELA Specialist\)](#) and [Ben Wolcott \(ELPA Specialist\)](#) with questions.

**April 13 DTC Webinar REPEAT**

ODE presents the monthly DTC Webinar on **Wednesday, April 13, 2022 from 10-11 a.m.** No registration is required. If you have questions you'd like answered during the webinar's Q&A session, please [submit through this form](#).

If you have more than three questions, please contact [Crys Plattner](#).

## TEST ADMINISTRATION

### OSAS Remote Testing Window Opens April 19, 2022 (ELPA, ELA, Math, Science, and SEED Survey)

Per the Assessment [Testing Schedule](#), the **Remote OSAS Testing Window opens on Tuesday, April 19** for all content areas, including the SEED Survey.

- ELPA remote testing window will **close on Friday, April 29, 2022**
- ELA, Math, Science, and SEED Survey will **close on Friday, June 3, 2022**

Remote testing resources are available on the [ODE Test Administration](#) web page under the *Remote Testing Resources* accordion. Additional information addressing training requirements for remote testing administration can be accessed in the [A&A Update from January 27, 2022](#).

As a reminder, students who will participate in a remote test session are required to have parental consent for A/V monitoring. Once parental consent is obtained, districts need to update the Parental Consent for A/V Monitoring field in TIDE to “Yes, with camera” or “Yes, without camera” on the Student Details Page. For summative remote test eligibility, a student must also have the Remote Tester field in the Student Details Page set to “Yes.” If the Parental Consent for A/V Monitoring field is left blank or set to “No Remote Testing,” the student will not be able to test remotely, even if the Remote Tester field above it is set to “Yes.”

If you would like assistance in uploading the remote test settings into TIDE, please contact your [Regional ESD Partner](#).

For other questions on remote testing training requirements or parent/educator information support, please contact [Tony Bertrand](#), ELA Assessment Specialist.

## QUESTIONS AND ANSWERS

### Answers to Common Questions from the Field

**QUESTION:** As the District Security Administrator, I was asked to give staff access to the Assessment Record Updating Application (ARUA), but I cannot find it in web security. Where can I find it?

**ANSWER:** In web security, you will find the assessment application in the following path: Consolidated Collection-TstEvent and Data Collection: Assessment Test Staging.

### ELPA Screener

**QUESTION:** When does the Future K ELPA Screener testing window open?

**ANSWER:** The Future K ELPA Screener form is available from March 1 through December 31 annually (and is therefore currently open for the 2022-23 school year). This form is for students who are about to begin, or are testing in the first half of, their Kindergarten year.

The opening of the Future K window was announced on the state portal, but an accompanying announcement did not appear in the AA Update. ODE regrets the oversight. More information about the Future K test, including the annual window, will be added to the 2022-23 [ELPA Screener Administration Manual](#).

Please contact [Ben Wolcott](#), ELPA Specialist, with questions or concerns.
