QUESTIONS AND ANSWERS

Answers to Common Questions from the Field

QUESTION: The Staff Ethnicity and Staff FTE validations are listed under the *No Permissions* menu in the Achievement Data Insight (ADI). How can I gain access to them?

ANSWER: Contact your [District Security Administrator](#) to request access to these validations. More information about these validations can be found in the [ADI Validation Guidance](#) document, located on the [Staff Position Resources page](#).

QUESTION: I have students who are not appearing in TIDE. Why?

ANSWER: In order for a student to appear in TIDE for this school year, the student's SSID must have been updated **after September 29, 2017** in ODE's SSID system. If you have a student who is a resident student in your district and does not appear in TIDE, please update the SSID record in the SSID system, and the student should appear in TIDE within two days.

To see a list of all students in your institution that have been loaded into TIDE:

- Log into TIDE and under "Preparing for Testing" select "Student Information" and then "View/Edit/Export Students";
- Enter in your search criteria and click Search;
- Select the checkbox on the top left of the results;
- Click the button to export the data into an Excel or CSV file (keep in mind that only the top 1000 records will appear in a search, and the students in TIDE include all students in grades K-12).

For school districts that typically update all SSIDs only one time at the beginning of the school year, submitters will need to update the SSIDs again if they were updated prior to September 29.

If you have any further questions, please contact your [Regional ESD Partner](#).
