Question & Answer

ANSWERS TO COMMON QUESTIONS FROM THE FIELD

Question: How should the district handle opt-out requests that come in after the student has already started testing?

Answer: Districts are required to honor opt-out forms submitted by parents throughout the test window and code students opting-out using Administration Code 'X' in Student Centered Staging. If an opt-out form is submitted after a student has already begun testing, have the student stop testing upon receipt of the opt-out form. The resulting partial test will then follow ODE's business rules for determining eligibility for participation and scoring (See Question & Answer section of the [April 20, 2017 issue of the A&A Update](#) for additional information about the requirements for a student to be considered a participant and receive a score for Smarter Balanced tests).
