ELPA

Upcoming Optional ELPA Screener Webinars

ODE has planned four sessions of an optional informational webinar regarding the English Language Proficiency Assessment Screener. This webinar is designed to accommodate multiple levels of expertise.

The **first hour** of the webinar provides introductory or refresher information on the ELPA Screener. The content in this hour has not changed significantly from previous years.

The **second hour** of the webinar addresses anticipated changes and considerations for 2020-21. Information during this hour presumes familiarity with the ELPA Screener and accompanying systems.

You will need to register for the webinar. The webinar has four identical sessions; choose and attend the time that works best for you.

- June 3, from 10:00 am - 12:00 pm
- June 4, from 2:00 - 4:00 pm
- August 19, from 10:00 am - 12:00 pm
- August 20, from 2:00 - 4:00 pm

The webinars will be presented in a "jump in, jump out" format. The webinar agenda, listing topics to be covered and rough times of discussion, has been posted on the ODE Training Materials page, under the Optional heading for the ELPA Screener. The most recent version of the ELPA Screener informational webinar will be recorded and posted with its accompanying Power Point on the Training Materials page, where it will replace previous versions.

Please contact Ben Wolcott with any questions or concerns.

ACCOUNTABILITY & REPORTING

Informal Accountability Webinars

ODE hosts a webinar on the last Tuesday of every month to discuss accountability topics.

Starting with the **upcoming May 26 meeting, the webinars changed platforms to use Go To Webinar**. If you have not already done so, please register for the meetings again. When you register to participate, you will

automatically be registered for all webinar dates in the series (for convenience). You are encouraged but not required to attend every webinar.

Please note that the webinar length will be flexible depending on content, with a minimum of 5-10 minutes up to a maximum of one hour. If you have a topic that you would like to add to the agenda, please submit it through our "Informal Accountability Webinar Open Call Agenda form."

Here are the upcoming webinar dates:

- Tue, May 26, 2020 2:00 PM – 3:00PM PDT
- Tue, June 30, 2020 2:00PM – 3:00PM PDT

If you have any questions or comments about this webinar series, please reach out to Jon Wiens at 503-947-5764 or Elyse Bean at 503-947-5831.

ELPA Batch 4 Scores Available on May 19

All remaining scores for students who completed the English Language Proficiency Assessment (ELPA) were posted in Student Centered Staging, Accountability Warehouse Extract (AWE), and Secure Assessment Reports 2.0 (SAR) on the ODE secure district website and also in Online Reports (ORS) on the OSAS Portal on Tuesday, May 19. This is the fourth and final batch of ELPA records for 2020.

District Test Coordinators may download or review records in Student Centered Staging to edit accommodation, modification, or administration codes (see the Test Administration Manual, Appendix C). **Please note** that there is a one-day lag for changes to test records in Student Centered Staging (district edits or newly loaded records) to be available in the Warehouse applications (AWE and SAR).

If you have questions or need assistance with your assessment data, please contact your Regional ESD Partner.

DELAYED - Science 2018-2019 Validation Open in Achievement Data Insight May 21 - June 19, 2020 REPEAT

Due to technical difficulties, the Assessment validation window for Science 2018-2019 results is delayed. The validation window will open on **May 21** and remain open through **June 19, 2020**. The validation is accessible through the Achievement Data Insight (ADI) application. Contact your district security administrator if you do not have access to the application, or if you do not see the Science Student Performance tile once you access the application.

The editing window for Science 2018-2019 records will also be extended through **June 19**. Please review your Science 2018-2019 results during this window. **No changes to the Science 2018-2019 data will be allowed after June 19.** For more information, see the training videos on the Video Training – 2018-2019 webpage. If you have questions, please contact your Regional ESD Partner.
