ELPA Summative Batch 4 Results Now Available

The fourth batch of English Language Proficiency Assessment Summative test results is now available in the Online Reporting System (ORS). Batch 4 contains scores for students who completed, but did not submit, their test prior to school closures. Batch 4 also contains scores for students who submitted their test prior to school closures, but whose tests were not hand-scored in time for the release of Batch 3.

For questions about the results or viewing reports in ORS, please refer to the ORS User Guide on the OSAS Portal. For any other questions or concerns, please contact your Regional ESD Partner.

Upcoming Optional ELPA Screener Webinars REPEAT

ODE has planned four sessions of an optional informational webinar regarding the English Language Proficiency Assessment Screener. This webinar is designed to accommodate multiple levels of expertise.

The **first hour** of the webinar provides introductory or refresher information on the ELPA Screener. The content in this hour has not changed significantly from previous years.

The **second hour** of the webinar addresses anticipated changes and considerations for 2020-21. Information during this hour presumes familiarity with the ELPA Screener and accompanying systems.

You will need to register for the webinar. The webinar has four identical sessions; choose and attend the time that works best for you.

- June 3, from 10:00 am - 12:00 pm
- June 4, from 2:00 - 4:00 pm
- August 19, from 10:00 am - 12:00 pm
- August 20, from 2:00 - 4:00 pm

The webinars will be presented in a "jump in, jump out" format. The webinar agenda, listing topics to be covered and rough times of discussion, has been posted on the ODE Assessment Training Materials page, under the Optional heading for the ELPA Screener. The most recent version of the ELPA Screener informational webinar will be recorded and posted with its accompanying Power Point on the Training Materials page, where it will replace previous versions. Please contact Ben Wolcott with any questions or concerns.

At-A-Glance Profiles and At-A-Glance Narrative Collection Suspended for 2019-20

The Oregon Department of Education has suspended the At-A-Glance School and District Profiles for the 2019-20 school year. The Department will produce simplified reports using available validated data in the fall. Details will be forthcoming.

Because the At-A-Glance Profiles are suspended, the At-A-Glance Narrative Collection (formerly scheduled to open on July 16, 2020) and the At-A-Glance validation window (formerly scheduled to open on July 30, 2020) are also suspended.

If you have questions, please contact Jon Wiens.
