## GENERAL ANNOUNCEMENTS

### 2020-21 District Test Coordinator and Information Only Contact Forms **REMINDER**

This is a reminder that ODE requires that districts annually designate a District Test Coordinator (DTC) using the District Test Coordinator Designation Form. This form is used to maintain ODE's internal contact database and email listservs. (Please note that this form does not automatically grant access to the TIDE system.) DTCs must register with ODE for the 2020-21 school year by **July 29, 2020**.

The [2020-21 District Test Coordinator and Information Only Contact Form](#) is now available on the ODE website. Forms must be completed, signed by the district superintendent, and submitted by July 29, 2020 to [Renée House](#) by e-mail or fax (503-378-5156).

For questions, please contact your [Regional ESD Partner](#).

### New Domains to Add to Allowlist for 2020-2021

As part of the rebranding from American Institutes for Research (AIR) to Cambium Assessment, Inc. (CAI), there are new URLs that need to be added to testing computers' allowlist for the 20-21 school year. Please note, users should allow both the CAI and AIR URLs for the Test Delivery System (TDS) in 20-21. If you have any questions, please contact the [OSAS Help Desk](#).

System	URL(s) to Add to Allowlist

## TEST ADMINISTRATION

### New System to Access ORora Results from the ORExt

The Oregon Observational Rating Assessment (ORora) score archive has arrived! A new feature has been added to the [Oregon Extended Training and Proficiency site](#) in the 'Student Details' tab labeled 'Score Archive'.

The Score Archive shows previous years' ORora scores for all rostered students. Testing year is distinguished by the 'Year' column on the far left. Archived student ORora scores can be searched and filtered by the 'SSID', 'District', and 'School' search bars/drop-down menus at the top of the screen. Note: data will only appear for those students who are already rostered. If additional students are needed, they will need to be added to the roster in the 'Rostering' tab.

Please contact the [Oregon Extended Assessment HelpDesk](#) if you have any questions.

## ELPA

### ELPA Braille Form Order Window Now Open

The English Language Proficiency Assessment for the 21st Century (ELPA21) is available in a paper/pencil Braille format. To order, District Test Coordinators should complete the [2020-21 Braille Order Form](#) and submit it by **October 6, 2020**. The same form is used to order both the ELPA21 Screener and the ELPA21 Summative.

If you have questions, please contact your [Regional ESD Partner](#).

## SCIENCE

### 2020-2021 Science Interim Assessments

Science Interim Assessments are now available for purchase for the 2020-2021 school year. Purchases can be made by district, or for specific schools within a district. The Science Interim Assessments are aligned to the NGSS Science content standards and include the full array of accessibility resources used for the OSAS Science Assessment, including TTS, Spanish translation, and Braille. For more information about the Science Interim Assessments, please refer to the [Science Interim Assessments Information Sheet](#).

The Science Interim Assessments are offered at \$4.95 per enrolled students in grades 5, 8, and 11. Students in grades 3 through high school are permitted to utilize the assessment bank as deemed appropriate by the school and educator.

Districts or schools interested in purchasing the Science Interim Assessments for 2020-2021, please contact [Margaux Nielsen](#) for additional information or questions.
