## GENERAL ANNOUNCEMENTS

### Recommended: Schools and Districts Should Not Make TIDE Data Updates until 2016-2017 TIDE Goes Live on October 27

On **October 21**, the Test Information Distribution Engine (TIDE) of the OAKS system will be taken offline in preparation for the launch of the 2016-17 version on **October 27**. Each year it is ODE policy to delete all students from TIDE and re-import basic student information (SSID, school and district, demographics, etc.) from the SSID System after TIDE reopens. **Test settings (including ELPA21 domain exemptions) will not be re-uploaded.** As such, it is recommended that users do not modify any student settings for the 2016-17 school year in TIDE prior to October 27, as these changes will not be saved for the upcoming testing window. Schools and districts can update student test settings following the launch of the new version of TIDE.

Additionally, as in the past, user accounts will be deleted when TIDE is taken offline. When TIDE reopens, ODE will add District Test Coordinator (DTC) users to TIDE after DTCS have completed their 2016-17 training requirements. As in past years, DTCs may then request a list of the users in their districts from the previous year from their [ESD partner](#) to facilitate the creation of user accounts for 2016-17.

**Institution Lookup Tool Cleanup**

Oregon Department of Education’s [Institution Lookup Tool](#) is an easy way for Districts, schools, and the public to look up information about other buildings. The beginning of the school year is a great time to look up your institution and make changes to staff or building information. If you find information that needs to be changed, please send an email with these changes to [ode.institutions-request@ode.state.or.us](mailto:ode.institutions-request@ode.state.or.us). We are requesting to have all changes submitted by **September 15** in order to ensure that changes are made in time for report card publication and data collections.

For more information, you may contact Emily Bowen at [Emily.Bowen@state.or.us](mailto:Emily.Bowen@state.or.us) or 503-947-5837.
