ACCOUNTABILITY & REPORTING

Fall Membership Validation Opens Thursday, November 5

The Fall Membership validation will open on **Thursday, November 5, 2020 after 1 p.m.** It will close on **January 22, 2021**. Please log into [Achievement Data Insight](#) (ADI) to view and validate your data. There is no training for this validation. An updated student membership manual for the 2020-21 school year will be posted before the validation opens. If you have any questions, please contact your [Regional ESD Partner](#) or [Robin Stalcup](#).

Update to Dropout and Graduation Validations

Last week we were unable to load Foster Care Flag data for students in the NCES Dropout and Graduate Rate validation, nor in the Four-Year and Five-Year Cohort Graduation validations. This problem will not be solved by the October 29 refresh, and accurate Foster Care data will not be displayed. The older GED match data have been loaded for the cohort validations, and GED outcome data displayed should be correct. In addition, cohort override values and previously pending high school entry year changes were also applied where needed. If you have questions or need to submit an appeal, please contact your [Regional ESD Partner](#) or [Robin Stalcup](#).

First Period Cumulative Average Daily Membership (ADM) Audit Window Opens November 5 @ 1 PM
