## Student Educational Equity Development (SEED) Survey

Oregon achieves . . . together!

## $10^{\text {th }}$ Grade Mathematics

Education leaders in Oregon would like to know more about your school year. Your answers will help schools in Oregon.

Your answers will be private. In most cases, your school, parent, or guardian will not see your answers.
Read each question carefully. Choose the answers that are true for you. There are no right or wrong answers. If you cannot find the perfect answer, it is okay to pick the best one. You can skip any question.

Use the tools in the survey to help you. If you have questions, ask your teacher.
Please select one of the following, then click Next:I will take this survey. Go to the first question.
