Q1: Where is the Centralized Reporting System User Guide housed?

A: You can find the CRS User Guide on the OSAS Portal (https://osasportal.org/), or directly at this link: https://www.oregon.gov/ode/educator-resources/assessment/Documents/osas_reports_userguide.pdf

Q2: Can you modify filter selections after the Dashboard page?

A: Yes, you can modify your selections at any time.

Q3: Are there any other data warehouses where ELPA Screener results are stored?

A: ELPA Screener data do not flow into any ODE data application. CRS is the only source for these data.

Q4: Do you have to click a school first in the Student Results Generator?

A: You should not need to select a school(s) before clicking the Filter and selecting a date range, but you will need to select a school(s) before you click "Generate."
