# Updates

- District Assessment Inventory:
  - 100% of the districts designated a point of contact for their district's inventory form
  - May 1, 2024: final report delivered to the legislature and shared with DTCs
- SEED Survey:
  - FAQ of the month: SEED user group permissions are NOT needed
  - Complete set of updated materials on SEED web page by February 14
  - Many questions can be answered in the [SEED Survey Administration Manual](#)

# Reminders

## 2023 - 2024 HS ELA, Math, and Science Statewide Summative Testing Window Open

The window for administration of the Grade 11 in-person and remote English Language Arts (ELA), Math and Science tests (both general and extended) opened **February 6, 2024**.

- *For more information on the testing windows for additional grades or the remote test administration window, please refer to the [2023-24 Oregon Statewide Summative Test Schedule](#).*

As a reminder, prior to beginning a test session, **verify that appropriate student accommodations and supports have been accurately set in TIDE**. See the [Oregon Accessibility Manual](#) for more information about accommodations and supports.

Please contact your [Regional ESD Partner](#) with any questions regarding test administration.

# More Reminders

- A [training webinar](#) on the following topics is scheduled for Feb 15 at 2pm:
  - Assessment Record Updating Application (ARUA)
  - Secure Assessment Reports
  - Accountability Warehouse Extract (AWE)
- Early Learning Transition Check-In
  - Pilot process
  - Broader early learning and culturally specific engagements February to April
  - Future Components
  - [FAQ](#)

# Test Impropriety Process

Q: What does ODE plan to do with the data collected by the new (2023-24) question on the impropriety form, "Did the incident result in possible IDEA non-compliance (e.g., violation of a student's IEP or 504 plan)?"

A: This information is reviewed by ODE staff to ensure that corrective action is planned for potential IDEA non-compliance. In some cases, information may be shared with the Office of Enhancing Student Opportunities (OESO) to help ODE better support districts.

ODE action regarding student test records are based on the DTC's report, as in prior years.

## PreACT Reminder

- [ORS 329.488](#) directs ODE to provide a statewide opportunity for all eligible Oregon 10th grade students enrolled in a public school to access a nationally-normed college entrance practice exam. That required practice exam is the PreACT.
- Test Window: 10/2/2023 - 4/9/2024
- PreACT order window closes 3/21 - DTCs can order materials [through the College and Career Readiness Information System \(CCRIS\)](#) by selecting the OREGON GRADE 10 ONLY option.
  - Please also don't forget to complete the enrollment process.
  - For questions please reach out to PreACT's Customer Service team at [PreACT@act.org](mailto:PreACT@act.org)
- Helpful information can be also be found on the [Oregon specific PreACT page](#) & ODE's [Nationally-normed College Entrance Practice Test webpage](#).

# Proposed ELPA Summative Proficiency Designation

- “Provisionally Proficient” is a proposed proficiency designation (i.e. a *test result*) on the K-12 ELPA Summative (no other ELPA test).

Emerging → Progressing → **Provisionally Proficient** → Proficient

- For students who score “just above” or “just below” the Proficient threshold
- Parent/guardian/adult student makes the final exiting decision

The final decision about whether to move forward with this policy will be made after gathering feedback at the COSA Multilingual and English Learner conference this coming March. If approved, this proficiency designation would be available on the **2024-25 ELPA Summative**.
