

# Oregon Statewide Assessment System: Interim Assessment System Facilitation Guide

## *Overview of Webinar Series*

This optional facilitation guide was designed to assist in the presentation of the Overview Session of the Oregon Statewide Assessment System: Interim Assessment System Series and provide an opportunity to orient users to supplemental resources.

Session Slide Narrative and Animations	Supplemental Resources or Suggestions
<p><b>Slide 1: Title Slide</b></p> <p>The Oregon Department of Education has developed an Oregon Statewide Assessment System professional development series to further support district efforts in building a balanced assessment system and their efforts in the implementation of the Oregon Statewide Interim Assessment System.</p> <p>Throughout the fall months, in collaboration with Oregon ESDs and districts, ODE will be providing six webinar training sessions to be provided live and then recorded and made available on <a href="#">ODE's Interim Assessment webpage</a>.</p> <p>Further, these presentations will be made available year-round on the Oregon Department of Education's Interim Assessment webpage under the Interim Professional Development Materials expandable folder.</p>	<ul style="list-style-type: none"> <li>• This Overview presentation can be included with Session 1 Understanding a Balanced Assessment System.</li> <li>• Additional Resource: <ul style="list-style-type: none"> <li>○ <a href="#">ODE Interim Assessment webpage</a></li> </ul> </li> </ul>
<p><b>Slide 2: Purpose</b></p> <p>The purpose of this series is to help district- and school-based teams improve their systems of teaching and learning using the tools and resources provided in a balanced assessment system.</p> <p><i>[Click for animation]</i></p> <p>All participants will build assessment literacy and connect formative assessment practices, interim assessments, and summative assessments to continually improve access and outcomes for each and every learner in their classroom, school, and district.</p>	

### Slide 3: Session Overview

This series consists of six videos that will guide participants through each aspect of Oregon Statewide Assessment System: Interim Assessment System

1. Session 1 - Understanding a Balanced Assessment System – participants will gain familiarity with the difference in assessments within the Oregon Statewide Assessment System
2. In Session 2 - Overview of the OSAS Interim Assessment System – individuals will gain further knowledge about the Interim Assessment System and be able to identify the different components and types of interim assessments available within the Interim Assessment System.
3. For Session 3 - Using Interim Assessments in the Context of Instructional Practices – educators will engage and explore how interim assessments can be utilized across the different content areas of ELA, Math, and Science. It is important to note Session 3 will be broken out into content specific topics to allow educators to take a deeper look into the interim assessments including use cases.
4. Session 4 - Interim Assessment Administration: Guidance and Support – addresses the technical aspect of identifying Identify how to access the Interim Assessment System through the OSAS Portal and administer tests.
5. In Session 5 - Accessing Interim Assessment Data to Inform Instructional Practices – educators will learn how to navigate and to access the interim assessment data in the OSAS Portal and interpret the different available reports available to improve instructional practices for students.
6. Finally Session 6 - Exploring Tools for Teachers and Using Formative Assessment Practices – teachers will make connections to the Interim Assessment System with playlists of instructional resources in Tools for Teachers, while supporting the formative assessment process.
