Speaking – Observe and Report (Grades Band 2–3)

Score	Descriptors
5	<p>Responses at the 5 level are typically characterized by:</p> <ul style="list-style-type: none"> The student accurately uses a variety of structures (simple, compound, and complex) and the use of vocabulary and word choice is accurate and appropriate. The response may contain isolated minor errors in language that do not obscure meaning. The student presents an accurate summary of the sequence of events, using clearly appropriate information, specific details, and explanations. Relationships among ideas are clear, demonstrating organizational logic and/or use of appropriate linking words.
4	<p>Responses at the 4 level are typically characterized by:</p> <ul style="list-style-type: none"> The student uses simple, compound, and/or complex structures and the use of vocabulary is generally accurate and appropriate. Some grammar and vocabulary may be inaccurate or imprecise, but these few errors do not obscure meaning. The student provides a largely accurate summary of the sequence of events using relevant information and details. Though generally good, the development of ideas in the response may not be consistent, including occasional redundancy, digression, or omission of a couple of minor details. Relationships among ideas are largely clear, though there may be an occasional lapse in the use of organizational logic and/or linking words.
3	<p>Responses at the 3 level are typically characterized by:</p> <ul style="list-style-type: none"> The student exhibits control of simple and some compound structures and vocabulary, though the range of structures and vocabulary may be limited. Errors in usage may occasionally obscure meaning. The student provides a partially successful summary of the sequence of events. The response includes main ideas and some relevant information from the stimulus but some details may be incomplete, irrelevant, erroneous, or missing. The student displays some organizational logic and/or use of linking words, though connections between some ideas may be missing or obscured.
2	<p>Responses at the 2 level are typically characterized by:</p> <ul style="list-style-type: none"> Control of structures and vocabulary may be limited and frequent errors may interfere with meaning. The student provides a limited summary of the stimulus. A couple of main ideas may be recounted in order, but other essential information may be omitted, vague, unclear, incorrect, or out of sequence. Some frequently occurring linking words may be used, but otherwise missing or unclear connections between ideas obscure the student's meaning.
1	<p>Responses at the 1 level are typically characterized by:</p> <ul style="list-style-type: none"> The response is limited to reading the prompt or directions aloud. The response consists of a few isolated English words and phrases related to the prompt or stimulus.
