

# Survey 3: The Way I See School

*Adapted for K-2 Students*

Circle which face best shows how you feel about each statement. For example, if you agree with this statement: "I like watching TV," you would circle the first face, the one with a smile.

1. I can always know what I am learning in my class.

2. I can learn new things, even when it is hard.

3. I am excited about learning new things in school.

4. I know if I am making progress in my learning.

5. I get help from my teacher and my classmates.
