

Ticket out the Door

Name: _____ Date: _____

Success Criteria for today's lesson

- 1) _____
- 2) _____
- 3) _____

Self-Assessment

- 4 - I understand the Success Criteria and I can teach others how to do them. I feel confident that I can solve other problems you give me for these criteria.
- 3 - I feel that I understand the Success Criteria and I **might** be able to show someone how to do them. I can solve **most** problems related to these Success Criteria.
- 2 - I do not feel comfortable with these Success Criteria. I can solve some problems, but I am not confident with my answers.
- 1 - I do not understand these Success Criteria at all. I need help to start problems related to these Success Criteria.

Reflection

If you scored yourself a 3, 2, or 1, what is it that you think you need help with to achieve a level 4?

- | | |
|--|------------------------------------|
| _____ One-on-one tutoring with the teacher | _____ Extra practice to take home |
| _____ Extra practice on math software | _____ Extra practice time in class |
| _____ I have just a few questions to ask | _____ Peer tutoring |

Please write ideas for how your teacher can help you reach the Success Criteria from today's lesson:
