Social Sciences	**2033-2034**	**2034**	**2035**	**2036**

* This schedule is subject to change based on research, national trends, and evolving statewide priorities.

[1] Transformative SEL and Comprehensive School Counseling standards are regularly reviewed to reflect research, national trends, updated guidance, and statewide priorities.

[2] Unless noted, Oregon's State Board of Education adopts criteria by January of the scheduled adoption year and adopts HQIM content area lists in late October.

[3] School districts may postpone adoption for up to two years and remain Division 22 compliant by submitting a request for postponement for ODE approval.

[4] District evaluation of the Arts, World Languages, Physical Education, 9-12 Personal Financial Education (PFE), and 9-12 Higher Education and Career Path Skills (HECPS) are on a locally determined schedule, and independent adoption is required when a current state-adopted list is not available.
