

OREGON ACHIEVEMENT STANDARDS SUMMARY^{CS}

The following charts show the achievement standards (requirements to meet and exceed the standard on state tests) and work sample requirements by content area for each grade level or Benchmark level.

Grade 3	MEET	EXCEED
Reading/Literature State Test (multiple-choice)	204	218
Mathematics State Test (multiple-choice)	205	217
Writing, Speaking, Science, Social Sciences	No state test	

Grade 4	MEET	EXCEED
Reading/Literature State Test (multiple-choice)	211	223
Writing • Composite Score • Minimum score in each trait • Conventions score	32 to 39* (out of 48) 3** Not doubled	40 to 48* (out of 48) 4** Not doubled
Voice and Word Choice are scored on the state assessment, but are not included in the performance standard. * A state test receiving a composite score of 28 to 31 points conditionally meets the standard. The school district may determine that the standard has been met IF that student has met all writing work sample requirements. ** A state test receiving a score of 1 or 2 points in any trait will not meet the standard, even if the test meets the overall required composite score. A state test receiving a score of 1, 2 or 3 points in any trait will not exceed the standard, even if the test meets the overall required composite score.		
Mathematics State Test (multiple-choice)	212	225
Speaking, Science, and Social Sciences	No state test	

Grade 5	MEET	EXCEED
Reading/Literature State Test (multiple-choice)	218	230
Mathematics State Test (multiple-choice)	218	229
Science State Test (multiple-choice)	225	238
Social Sciences # State Test (multiple-choice)	215	225
# - To measure progress for students seeking an endorsement in Social Sciences or to meet district requirements		
Writing, Speaking	No state test	

Grade 6	MEET	EXCEED
Reading/Literature State Test (multiple-choice)	222	234
Mathematics State Test (multiple-choice)	221	232
Writing, Speaking, Science, Social Sciences	No state test	

Work Sample Requirements

Grades	3	4	5	6	7	8	CIM
Writing -- * 3 at CIM includes one persuasive, one expository, and one either imaginative or narrative	1	1	1	1	1	1	3*
Speaking -- * 3 at CIM includes one persuasive, one informative and one unrehearsed	1	1	1	1	1	1	3*
Mathematics Problem Solving -- * 2 at CIM includes one each from two of these: geometry; algebraic relationships; and statistics/probability;	1	1	1	1	1	1	2*
Scientific Inquiry	-	1	1	1	1	1	1
Social Science Analysis -- • for students seeking an endorsement in Social Sciences or to meet district requirements	-	-	-	•	•	•	•

Grade 7	MEET	EXCEED
Reading/Literature State Test (multiple-choice)	227	239
Writing • Composite Score • Minimum score in each trait • Conventions score	40 to 49* (out of 60) 3** Doubled	50 to 60* (out of 60) 4** Doubled
Voice and Word Choice are scored on the state assessment, but are not included in the performance standard. * A state test receiving a composite score of 35 to 39 points conditionally meets the standard. The school district may determine that the standard has been met IF that student has met all writing work sample requirements. ** A state test receiving a score of 1 or 2 points in any trait will not meet the standard, even if the test meets the overall required composite score. A state test receiving a score of 1, 2 or 3 points in any trait will not exceed the standard, even if the test meets the overall required composite score.		
Mathematics State Test (multiple-choice)	226	238
Speaking, Science, and Social Sciences	No state test	

Grade 8	MEET	EXCEED
Reading/Literature State Test (multiple-choice)	231	241
Mathematics State Test (multiple-choice)	230	241
Science State Test (multiple-choice)	234	246
Social Sciences # State Test (multiple-choice)	231	241
# - To measure progress for students seeking an endorsement in Social Sciences or to meet district requirements		
Writing, Speaking	No state test	

CIM	MEET	EXCEED
Reading/Literature State Test (multiple-choice)	236	248
Writing • Composite Score • Minimum score in each trait • Conventions score	40 to 49* (out of 60) 3** Doubled	50 to 60* (out of 60) 4** Doubled
Voice and Word Choice are scored on the state assessment, but are not included in the performance standard. * A state test receiving a composite score of 35 to 39 points conditionally meets the standard. The school district may determine that the standard has been met IF that student has met all writing work sample requirements. ** A state test receiving a score of 1 or 2 points in any trait will not meet the standard, even if the test meets the overall required composite score. A state test receiving a score of 1, 2 or 3 points in any trait will not exceed the standard, even if the test meets the overall required composite score.
