

2019 OREGON ENGLISH LANGUAGE ARTS AND LITERACY STANDARDS

Grade 8 Crosswalk

How to read this document:

This page serves as a key for reading the Oregon English Language Arts and Literacy Standards.

The left column is the Instructional Focus. The second column is the Standard Code. The third column is the 2019 Oregon English Language Arts and Literacy Standard. The final column is the original Common Core State Standard.

If there is a proposed change, the CCSS Standard will be bolded. If there is a revision to delete particular language, it will be struck.

If there is no change to the 2019 Oregon English Language Arts and Literacy Standard, the CCSS standard was simply copied over to the 2019 Oregon English Language Arts and Literacy Standard column. If a revision was made, the text in the 2019 Oregon English Language Arts and Literacy Standard column is bolded and italicized. If there is new language proposed, it will be underlined in that column, as well.

In cases where there is a standard written in the 2019 Oregon English Language Arts and Literacy Standard column, but the Original CCSS column is blank, this indicates that a standard has been added that did not previously exist.

This document serves as a crosswalk document to easily identify what revisions have been made, and how that alters the original standard.

Examples have been removed from the original standard statement, and they will be collated into a hyperlinked supplemental support document.
