

DIGITAL LEARNING CADRE

A VIRTUAL MEETING TO CONNECT EDUCATORS, TRAINERS AND SCHOOL LEADERS ACROSS OREGON!

ODE invites you to join the Digital Learning (DL) Cadre, a new chapter of statewide collaboration building on the legacy of the Ed Tech Cadre. Focused on today's digital learning landscape shaped by AI, PED restrictions, and the digital divide, the DL Cadre promotes equity-driven innovation across Oregon schools.

We'll meet virtually once a month, alternating Mondays and Fridays, to connect educators in sharing strategies, highlighting local success stories, and turning challenges into actionable solutions. Each session will feature breakout discussions showcasing resources, activities, and best practices to inspire reflection and collective growth.

Friday October 24, 9:00 - 11:00 AM

TOPIC: Digital Curriculum & Content Innovation - [REGISTRATION LINK](#)

Tentative breakout sessions:

- What virtual learning looks like for Oregon students
- Free open educational resources (OER) on Oregon Open Learning
- Presentations on the newly released Information Literacy in Age of AI Toolkit (ODE) and Media Literacy Toolkit (MESD)
- [PechaKucha](#)-style Speed DL Resource Shareouts
