RE: **NOTICE - # 4**  
2021 Oregon State Adoption Process for English Language Proficiency

Category 1: English Proficiency – Grades K-5/6
Category 2: English Proficiency – Grades 5/6-8
Category 3: English Proficiency – Grades 9-12

Please review the updated information below regarding the 2021 Oregon English Language Proficiency Adoption.

**1. Invoice Statement Reminder (Payment due in full no later than 06/11/2021)**

Your invoice statements were emailed on April 30, 2021. We request remittance upon receipt. When we are in receipt of your payment, your materials are considered officially submitted. Publisher fees must be paid prior to evaluation of instructional materials.

**2. OR-IMET for English Language Proficiency**

The Oregon Instructional Materials Evaluation Tool for English Language Proficiency has been developed to help reviewers evaluate submissions of instructional materials. Non-negotiable (NN) criteria and content & pedagogy criteria from the Oregon Adopted Criteria for ELP have been broken into indicators and grouped to assist reviewers in scoring and increase reliability across teams.

**3. Publisher Presentation Review and Q&A Schedule (July 6-9, 2021)**

Reviewers will virtually evaluate publisher presentations prior to scheduled Q&A sessions with publishers. Evaluators will receive a calendar to ensure that each individual has reviewed the publisher presentation prior to the Q&A session. If you have any questions about Q&A, please contact [Angie Foster-Lawson](#).

**4. Manufacturing Standards & Specifications (MSST) (Forms B & M)**

These two MSST forms are to be completed, signed, and then scanned and emailed no later than 06/18/21. Please download the attached forms uploaded along with this Notice and return by due date.

**5. Online Access to Digital Materials**

Reviewers will have access to the instructional materials during the week prior to the Publisher Q&A Sessions. Each reviewer will spend approximately two hours familiarizing themselves with each submission and completing initial reviews. Publishers must provide login credentials for seven reviewers per category in which they are submitting materials. Instructions for use of digital materials should be provided with login credentials, please see page 3 of this document for further information. Online Access to Digital Materials are due by **06/18/2021**. Please send a list of usernames and passwords in the format of the table on the next page (and page 3) to Angie Foster-Lawson by June 18, 2021.

## Guidelines for the Submission of Digital Instructional Materials for Access by the Instructional Materials Review Committees

*To ensure that all digital materials receive a complete and quality review, publishers who include digital materials in their bids are requested to provide the following:*

- **Tutorial:** A clear tutorial of how to use and navigate the electronic resource should be provided. The format of this tutorial may be video and/or step-by-step written instructions with screen shots and may be posted online. If you choose to provide a video tutorial, please keep it concise and under 10 minutes in length.
- **Access:** Access to digital resources is to be made available throughout the review process (June 18-August 10) and by-request during the selection year. Access to the entire resource (not limited to a sample) of adopted materials must be provided. Access must allow the reviewer to examine the electronic resource from the point of view of a student, a teacher, and an administrator. Adopted materials will need to be made available through the Instructional Materials Viewing Site (Hamersly Library) for the adoption contract period.
- **Specifications:** Provide documentation stating the technology specifications for the teaching/learning resources and how to access the resource. This may include but is not limited to the operating system and browsers that support any web-based electronic resources to be reviewed. If the resource is in a format that is not available online (e.g., CD, DVD, App, etc.) one copy should be sent along with print materials submitted. It is necessary that all stakeholders, beginning with the review committee members, know the minimum requirements necessary to use the resources. Reviews will be conducted on a bring-your-own-device basis, including laptops and tablets running either Windows or Apple (Macintosh) operating systems, as well as other operating systems. This BYOD environment is similar to the environment in which materials will be expected to perform in educational settings.
- **Digital Materials Submission: Usernames and Passwords:** Log-in credentials for up to 7 reviewers per submission and category must be provided. Please submit log-in credentials in the following format:

Category & Submission #	User Name	Password
Cat 1, Sub XXXX*	orreview1	orimrc1
Cat 1, Sub XXXX	orreview2	orimrc2
Cat 1, Sub XXXX	orreview3	orimrc3

*\*Submission number may be found on your bid sheet "Invoice Amount" tab and on your invoice statement*
