

Mathematics Instructional Materials Virtual Caravan (2023-2030)

If you have any questions, please email Aujalee Moore at aujalee.moore@ode.oregon.gov

ODE's Mathematics Instructional Materials Webinar Series

Part 1: Math Instructional Materials Adoption & Next Steps for Districts

In this session, participants were introduced to the 2022 Math Instructional Materials Adoption list and learned more about the next steps for district adoption. The [slides](#) and [recording](#) are available to review.

Part 2: Building an Actionable Math Vision in Your District

In this session, participants learned about the mathematics vision in Oregon and content-specific considerations for their local math instructional materials adoptions. The slides and recordings are available to review.

- [Slide deck](#)
- Part 1: [ODE Introduction](#) (Mark Freed & Andy Byerley)
- Part 2: [GBSD Presentation](#)

Part 3: A Deeper Dive into the Next Generation of Math Instructional Materials

In this session, participants will explore digital pedagogy and tools for effectively implementing math instructional materials. The session was hosted on January 18. The [webinar three recording](#) is available to review.
